BRISTOL

HELLO, WE'RE MIGRATEFUL

We are an award-winning UK charity with a mission to support refugees and migrants on their journey to integration and independence. We do this by enabling them to teach cookery classes, where they can share their cuisine, culture, stories and skills with the public.

Migrateful has supported 122 refugee and migrant cooks to teach over 5,000 classes to more than 60,000 participants in London, Bristol, Brighton, Kent and online.

We've had the pleasure of sharing our kitchen with [Google](#), [Waitrose](#), [Doc Martens](#), [eBay](#) – and we look forward to welcoming your team to join us round the dinner table next!

Whether you're celebrating a big win, strengthening bonds through team-building, or simply fancy some Friday-night fun with extra flavour guaranteed, our hands-on cookery classes have got all the ingredients needed for a memorable team social.

A HANDS ON COOKING CLASS, INFUSED WITH CULTURAL INSIGHTS, FOLLOWED BY A FLAVOURFUL, FAMILY-STYLE FEAST.

Each class is led by one of the incredible refugee and migrant cooks we work with, who will share their family recipes, culinary talents and cultural heritage with you.

And while your team enjoys this memorable experience, you'll also be creating impact beyond the kitchen.

Each booking supports Migrateful's cookery class teacher training programme, providing the refugee and migrant chefs we work with opportunities to build their confidence, develop professional skills and achieve financial resilience in the UK.

“The most enjoyable, well organised and informative cooking class I've ever been to, and I've been to plenty. The Migrateful mission is truly humbling yet hugely inspiring. I highly recommend supporting this initiative and investing in an experience you won't forget.”

THE LOGISTICS

From crispy Kibbeh to mouthwatering Maraki Bajji, with cuisines from Turkey, Sudan, Sri Lanka and more, we've got a class to suit all tastes.

Speak to our friendly bookings team to discuss your preferred cuisine, dietary requirements, dates and group size, and we'll put together an event tailored to your team.

THE FORMAT

1.

Over the course of your session, your team will work together to cook a mouthwatering menu of 5-6 dishes, aided by detailed recipes and the guidance of a skilled Migrateful chef.

2.

Each dish has its own station. Everyone will start out assigned to a specific station, but throughout the session, you'll be encouraged to move around the room and pitch in with preparing other dishes.

3.

Your class will be supported by a facilitator, who assists the chef to ensure everything runs smoothly, as well as up to four volunteers, who will take care of the tidying and washing up.

4.

At the end of your cookery class, your team, the chef, class facilitator and volunteers will come together around the table to enjoy the feast you've created.

“The space itself is really bright, spacious and beautiful. The food was insanely delicious and we all learnt lots and cooked things we'd have never have attempted otherwise! Couldn't recommend highly enough for a work event!”
